

## SET SUBJECT PROGRAMME 2026 Evaluation Co-ordinators:

Trish McAuslan FPSNZ **Email**: <u>mcauslanav@gmail.com</u> Vivianne Baldwin APSNZ Email: <u>vib26@xtra.co.nz</u>

Evaluation Secretary: Jenny Whitcombe Email: jennywhitco@gmail.com

These guidelines are provided to ensure both the photographer and the evaluation panel/judge are expecting similar things.

Please read the guidelines carefully before you choose the image to enter.

Lone Walker - Philippa Wells

The guidelines can encourage you to take a wider view of the topic than just the first one that occurs to you and hopefully they can inspire you to experiment.

The guidelines also help photographers to understand guidelines/definitions in outside competitions, such as, the National Exhibition and our own Club Salon and choosing appropriate photographs to enter.

Some of the set subjects require you to have an application, such as, Photoshop/Photoshop Elements and the skills to use that software. These skills have become part of modern photography and members are encouraged to develop and use these skills.

You may enter one set subject image and one open image for both Print and Digital (up to four images per month) except for November when there is only an open evaluation.

For more details on some of the set subjects, check the Bylaws on the Club Website, under the Resources Menu.
