

TAURANGA PHOTOGRAPHIC SOCIETY
NATIONAL PORTRAIT SALON ~ 2022
Catalogue and Results

Thank you to our sponsors ...

Welcome to the catalogue of successful images from the inaugural Tauranga Photographic Society National Portrait Salon.

The idea of a portrait salon has been 'kicked about' by the Tauranga Photographic Society (TPS) executive committee for a few years now. It has sat, as some things do, at the bottom of our meeting agendas, where despite the odd attempt to get the idea off the ground, the final impetus to move an idea into reality was lacking. In 2022, Ian Saunders, a member of TPS announced that he would through his business BBCM Ltd, like to sponsor a national photographic salon. Long-time friend and supporter of TPS Matt Dunn from Carters Photographics, joined in as second sponsor and just like that, the much thought about, but not actioned, National Portrait Salon blossomed into fruition.

It is now my pleasure to both acknowledge and thank, everyone who has contributed to the inaugural National Portrait Salon. To the members of TPS for their support, and in particular to the members of the executive committee for their embrace of the concept, and their enabling of the necessary resources. A very special thank you to our three wonderful, highly qualified, and much respected judges, Paul Byrne FPSNZ ARPS AFIAP, Tracey Scott FPSNZ AFIAP MNZIPP (Dist.) IV and Catherine Cattnach G.M. NZIPP; you have been wonderful to work with, and we all appreciate the time, energy, insight, and professionalism you have given to this endeavour.

Of course, no photographic salon can happen without photographers actually entering their work and I would like to take this opportunity to thank every photographer who entered. I know full well the touch of bravery needed to submit your loved images into a competition. Questions run through the mind, are my images good enough? Will the judges like them; knowing all the while that there is an element of risk along with the any potential reward. It has been a pleasure to view every image entered, and I personally have relished the opportunity to sit and ponder the skill, vision and artistry on display within the 642 individual entries.

Finally, congratulations to **Jiongxin Peng, EFIAP, APSNZ** and **Diana Hambleton, APSNZ**, the two photographers whose images have been proclaimed as Champion Portrait and Champion Open Image, along with all who have received silver, bronze, honours and accepted certificates. To our sponsors BBCM (Bay Building and Compliance Management) and Carters Photographics, please accept on behalf of the members of Tauranga Photographic Society, and all who entered this salon, our sincere appreciation and heartfelt thanks.

Our Judges:

Paul Byrne FPSNZ, ARPS, AFIAP

Paul is a British ex-pat who, on retiring from the UK Police Service, migrated to New Zealand with his wife Pam in 2004. Together they opened and ran a successful, award winning seafood restaurant. Paul has always been interested in photography but like so many people, there have been periods in his life when his hobby had to take a back seat to his professional career. That said, he did manage to secure a Licentiateship and an Associateship with the Royal Photographic Society during the early 1990's.

He is a member of the Tauranga Photographic Society and since 2008 has served as Secretary, President and committee member for the society. He was on the Convention Organising Committee for the 2015 PSNZ National Convention in Tauranga. He obtained an Associateship in 2016 followed two years later with a PSNZ Fellowship. In the gap year he managed to gain an AFIAP distinction.

Paul has been a PSNZ accredited judge since 2012 and frequently evaluates club, regional and national competitions. During the 2020 lockdown he wrote a book entitled Evaluating Photographs - A guide for image Assessment. He has also been a regular judge for the Tauranga AV salon. During 2020, he was appointed to the PSNZ Honours Board and also joined the Judge Accreditation Panel. He was recently appointed to the position of Chairman for that Panel. Paul is still a member of the Royal Photographic Society and regularly participates in their Documentary group activities. His photographic passions are Portraiture, Street photography, Action photography [particularly Rally Sport] and most recently Bird Photography.

Catherine Cattanach G.M.NZIPP

Catherine Cattanach is a portrait and fine art photographer based in Wellington. She holds the distinction of Grand Master of Photography with the New Zealand Institute of Professional Photography, and was named NZIPP In-Camera Portrait Photographer of the Year in 2021. She was Wellington Photographer of the Year in 2018, NZIPP Creative Photographer of the Year in 2016 and NZIPP Classic Portrait Photographer of the Year in 2014. She has represented New Zealand in the portrait section of the World Photographic Cup in 2014, and she was also a portrait finalist in the 2016 international HeadOn Photo Festival in Sydney. Exhibitions include QT Hotel Gallery 4 (current), Lustre (2016) and Eryngium (2018).

Tracey Scott FPSNZ AFIAP MNZIPP (Dist.) IV

My photography began at high school, I then went on to do a Fine Arts Degree. In 1987 I began work full time as a news photographer until 2007 when I opened a small studio doing weddings, commercial and portrait work. I am a Fellow of the PSNZ, as well as a Judge and was on the Honours Team for 7 years. I am a Master with Distinction x 5 of the NZIPP, Where I am currently the chair of the Honours team.

My Photographic highlights have included:

- 2015 NZIPP New Zealand Professional Photographer of the year
- 2017 NZ Documentary Photographer of the year
- 018 NZ Documentary Photographer of the year.
- 2019 Inducted into World festival Hall of fame China
- 2021 NZ Travel Photographer of the year
- 2022 NZ Travel Photographer of the year

When I am not photographing my other interests are my little dog May, working on my Villa, Travel, and collecting art and antiques. Currently I am working on buying a historic home where I can have photographers come to stay and do intensive workshops or one on one tutoring.
