

TAURANGA PHOTOGRAPHIC SOCIETY INC  
**NATIONAL PORTRAIT SALON ~ 2023**  
*Catalogue and Results*

*“To take a photograph is to align the head, the eye and the heart. It’s a way of life.”*

~ Henri Cartier-Bresson ~

*Thank you to our sponsors ...*

Welcome to the catalogue of successful images from the second Tauranga Photographic Society National Portrait Salon.

Following on from the success of the inaugural National Portrait Salon, the executive committee of Tauranga Photographic Society (TPS) are delighted to be able to host our second, and somewhat refined, portrait salon. This year we had 380 images entered by 72 photographers, and it is to them, on behalf of TPS, that I thank for supporting the salon, and for entering work that has been both a joy, and a privilege, to view.

Portrait photography is about going beneath the surface and capturing the essence of a subject. It is also about creating a tangible, lasting record of people, their places, their friends and their loved ones, and in this instance to celebrate the relationships we have with our loyal friends from amongst the animal kingdom. One only needs to reflect on the joy of looking through family albums at those grainy, black and white, or strange coloured renders of those that have been before, to truly appreciate and understand what a privilege it is to have the skill to create such memories for future generations. It is with this thought in mind, that the idea to bring a salon dedicated to the blend of art and storytelling that describes the genre of portrait photography, has been so compelling.

On behalf of the executive committee of Tauranga Photographic Society, and all of the salon entrants, I would like to extend our thanks to our 2023 sponsors:

**BBCM Ltd**, sponsors of the Supreme Champion Portrait Image  
**Carters Photographics**, sponsors to the Champion Open Portrait and Champion Environmental Portrait  
**Wild Shutter Safaris**, who are sponsoring our Persons Best Friend category.

Thank you for enabling this salon to continue and to flourish.

A very special thank you also to our three wonderful, highly qualified, and much respected judges:  
Paul Byrne FPSNZ ARPS AFIAP, Tracey Scott FPSNZ AFIAP MNZIPP (Dist.) IV and Justin Aitken, GMNZIPP  
You have been wonderful to work with, and we all appreciate the time, energy, insight, and professionalism you have so freely given.

Finally, congratulations to **Jay Drew, APSNZ, MNZIPP, Karen Moffatt-McLeod APSNZ, Ian Purden, LPSNZ and Ilan Wittenberg, FPSNZ**  
Four photographers who have taken out the Supreme Award, and Gold Awards in each of our three categories, along with all who have received silver, bronze, honours, and accepted certificates.

Annette Johnston FPSNZ  
National Portrait Salon Convener

## **Our Judges:**

### **Paul Byrne FPSNZ, ARPS, AFIAP**

Paul is a British ex-pat who, on retiring from the UK Police Service, migrated to New Zealand with his wife Pam in 2004. Together they opened and ran a successful, award winning seafood restaurant.

Paul has always been interested in photography but like so many people, there have been periods in his life when his hobby had to take a back seat to his professional career. That said, he did manage to secure a Licentiate'ship and an Associateship with the Royal Photographic Society during the early 1990's. He is a member of the Tauranga Photographic Society and since 2008 has served as Secretary, President and committee member for the society. He was on the Convention Organising Committee for the 2015 PSNZ National Convention in Tauranga. He obtained an Associateship in 2016 followed two years later with a PSNZ Fellowship. In the gap year he managed to gain an AFIAP distinction.

Paul has been a PSNZ accredited judge since 2012 and frequently evaluates club, regional and national competitions. During the 2020 lockdown he wrote a book entitled Evaluating Photographs - *A guide for image Assessment*. He has also been a regular judge for the Tauranga AV salon. During 2020, he was appointed to the PSNZ Honours Board and also joined the Judge Accreditation Panel. He was recently appointed to the position of Chairman for that Panel.

Paul is still a member of the Royal Photographic Society and regularly participates in their Documentary group activities. His photographic passions are Portraiture, Street photography, Action photography (particularly Rally Sport) and most recently Bird Photography.

### **Tracey Scott FPSNZ AFIAP MNZIPP (Dist.) IV**

Tracey is a Rotorua based photographer. A Fine Arts graduate, Tracey worked as a full time news photographer for twenty years before starting a small studio doing weddings, commercial and portrait work in 1987.

Tracey is a Fellow of the Photographic Society of New Zealand (PSNZ), was on the PSNZ Honours Team for two terms and remains an accredited PSNZ Judge. She is a Master with Distinction x 5 of the New Zealand Institute of Professional Photographers (NZIPP), a NZIPP Judge, and she has spent five years on the NZIPP Honours Board. Tracey's spare time is spent restoring her 230 yr old villa, travelling and mountain biking.

### **Justin Aitken GM NZIPP**

Justin Aitken is a Grand Master of the NZIPP & Award Winning Professional Photographer. His expertise, creative quality and specialty can be seen in his portrait, lifestyle and wedding photography. His personal work consists of music, landscape and travel photography.

Justin has had his work published in many magazines, books, and websites. He has photographed international & local celebrities and acts, including Metallica, Santana, Dave Dobbyn, Fat Freddy's Drop and Coldplay.

Justin also holds a graphic design qualification and before he became a full time photographer, worked as a graphic designer for 4 years learning the ins and outs of Adobe applications.
